

## **FAQ: Inflatable Misting Tent**

### **1. What are the dimensions of the Inflatable Misting Tent?**

The inflatable misting tent measures **7.8 x 9.8 x 9.8 feet**, making it ideal for outdoor events, staff parties, and sports events.

### **2. What is included in the kit?**

The kit includes:

- **1500 PSI Misting Pump** (0.15 GPM / 0.30 GPM flow rates)
- **30 Nozzle Misting Kit** with stainless steel misting nozzles
- **Inflatable accessory kit** (pump, anchors, and all necessary parts for setup)

### **3. Is the tent easy to set up and transport?**

Yes, the tent is designed to be **easy to set up** and **weighs only 40 lbs**, making it lightweight and easy to transport.

### **4. What kind of pump comes with the misting tent?**

The inflatable misting tent comes with an **industry-leading 1500 PSI misting pump** designed specifically for misting applications. It includes:

- **Built-in solenoid valve**
- **Built-in low water cut-off switch**
- **5-micron commercial water filter**
- **Durable outdoor enclosure**

### **5. What kind of events is the tent suitable for?**

This inflatable misting tent is perfect for a variety of outdoor events, including:

- Staff parties
- Sports events
- Festivals
- Concerts
- Any outdoor gathering where cooling is needed

### **6. What power supply is required for the misting pump?**

The misting pump requires **110V AC** power (220V is available upon request).

### **7. What is the purpose of the 5-micron filter?**

The **5-micron commercial water filter** ensures clean, particle-free water is used in the misting system, protecting the pump and nozzles from clogging and wear.

#### **8. Can this tent be used for commercial purposes?**

Yes, the inflatable misting tent is designed for both **commercial and large-scale events**. Some of MistCooling's notable clients include **4 Seasons, Dow Chemicals, Six Flags, United Airlines**, and more.

#### **9. How do I maintain the misting system?**

Regular maintenance includes:

- **Filter changes** every 3-6 months (depending on water quality)
- **Nozzle cleaning** to ensure efficient misting

#### **10. Is there a video guide for setting up the misting tent?**

Yes, MistCooling provides instructional videos on:

- **How to connect push-lock fittings**
- **How to install the filter**

You can find these resources on the product page or in the provided manuals.

#### **11. What warranty is offered with the inflatable misting tent?**

MistCooling offers a **comprehensive warranty** with hassle-free returns. Please check the product page for more warranty details.
